

# Hope Community Church

## Phil and Karen Lundberg Memorial Scholarship Fund

Revised: Dec. 2020

---

The Phil and Karen Lundberg Memorial Scholarship Fund (PKL Fund) replaces the former Hope Community Church (HCC) Missions Education Fund. The purpose of this scholarship fund is to provide financial assistance to post-secondary (i.e., college) students from our church body and children of Missionary families directly supported by Hope Community Church.

Phil and Karen Lundberg—life-long members of HCC—had a life-long missions focus, both internationally and locally, as well as a love for bringing up children in the way of the Lord. Thus, it is fitting to associate their names with this fund.

### **Fund Purpose & Eligibility**

The purpose of this scholarship fund is to provide financial assistance and encouragement to post-secondary (i.e., college) students from our church body or children (“MKs”) of Missionary families directly supported by Hope Community Church. The PKL Fund is intended to be a dedicated (“Restricted Use”) fund that will be separate from the annual HCC General Fund (Budget). The scholarship is intended to be funded by Individuals contributing designated money and General Revenue money allocated by the HCC Leadership Team at the end of each budget year. (Example: At the end of a fiscal year, HCC may end up with a surplus of \$8,000 of which the Leadership Team may choose to transfer \$2,000 to the PKL Fund.)

The fund goal is a baseline of \$20,000 (e.g., funded as explained above and thereafter, allocations to maintain the \$20,000 minimum level). The goal of \$20,000 is not a requirement for awarding a scholarship and there is no requirement to award scholarships every calendar year.

### **Eligible Applicants**

Eligible applicants will have graduated from high school (or equivalent) and are pursuing post-secondary education (i.e., college, community college, trade schools, or apprentice positions). Applicants must apply for each academic year with a limit on four applications.

Applicants from HCC families (HCC members and “regular attenders”) must have demonstrated a heart for Missions and desire to pursue Missions field work or Vocational Ministry (domestic or internationally). Applicants must be working on course work that includes theological education or specific individual goals that have relevancy to full or part-time evangelical ministry after graduation. The area of Missions that the applicant is pursuing must be in alignment with the doctrines of the Evangelical Free Church of America and Hope Community Church.

Applicants from Missionary families directly supported by Hope Community Church are eligible regardless of the student’s post-secondary curriculum or major or post-graduation career goal. Missionaries in the field face many challenges when it comes to planning for their children’s post-secondary education. The eligibility of their children is a tangible way for HCC to come alongside these families in a meaningful way.

Applicants do not need to have a declared major such as “Missions” since a Missionary is not a specific occupation. For example, at Trinity Western University, there is no major in “Missions,” only a minor. Students pick up the major of their choice to combine with their minor to get prepared for entering the Missions field. (Even IT software as a major provides great opportunities to enter missions.)

## **Scholarship Award Amounts**

- Multiple awards could be given out for an academic year.
- Scholarship awards are determined by evaluation of circumstances and need.
- Full-time Student (as defined by institution): Up to \$3,000 per academic year
- Part-time (as defined by institution): Up to \$1,500 per academic year

## **Application Process**

Applications are available from HCC office or HCC Website in December.

Applications must be submitted to HCC office by 12:00 pm (noon) Pacific Time on February 28.

Applications will be reviewed by an Ad Hoc Committee consisting of a minimum of three (3) people; representing the HCC Missions Team, HCC Leadership Team, and a Member-at-Large (unrelated to applicants).

## **Award Process**

Announcement of scholarship recipients will be made on or before May 1.

To receive the scholarship, the student must provide a formal "Notice of Enrollment" from the school or institution along with the student's School ID or Account number.

HCC will forward the scholarship amount to the school's or institution's business office for crediting to the student's account.

Any other type of disbursement of scholarship funds are subject to review by HCC Leadership Team.

This is the end of the overview and specifications of scholarship.

Following are two separate application forms in PDF form; HCC applicants and MK applicants.

Hope Community Church ~ Olympia, Washington

The Phil and Karen Memorial Scholarship Application for Academic Year: 20\_\_ – 20\_\_

Application Form for Hope Community Church Student
